

As the leading composite cladding supplier in the UK we are proud that we provide our customers with a simple, easy to understand, jargon free 25 year warranty that we will stand by.

Warranty details:

Subject to fair wear and tear and correct installation, Grono Lawns Ltd warrants that the supplied composite cladding will be free of defects for a period of 25 years.

In the unlikely event that an issue does occur, give us a call and if there is a fault or defect, we will either repair or replace the affected area.

Whilst we'd love to cover everything under the warranty, unfortunately there are a few things that we can't...

What isn't covered:

Issues arising from poor / incorrect / improper installation including incorrect use of installation materials.

Failure to properly maintain, protect or repair the composite cladding.

Weathering. Over the initial 12-16 weeks you will notice your Gronoclad becoming slightly lighter in colour. This is completely normal and will stabilise after the initial period.

Damage caused by mirrors, glass or reflective surfaces.

Use of unapproved chemicals, herbicides or pesticides or improper cleaning methods.

Damage caused by wild animals or domestic pets.

Fire (incl. use of BBQ's, patio heaters etc), burns, cuts, accidents, vandalism, abuse, negligence or neglect.

Acts of God or other conditions beyond the reasonable control of Grono Lawns Ltd i.e. storms, floods etc.

Ground movement or subsidence including tree root growth or any other horticultural external influence.

The surface being used for a purpose other than that for which it was designed and installed.

Installations outside of the UK or Ireland.
